Foodservice Is Our Specialty

Carbon-Off!®
Heavy Duty Carbon Remover*

CARBON-OFF!® is a powerful gel that dissolves carbon buildup from metal surfaces. Spray or brush on, let set 15 minutes to overnight, depending on the amount of buildup to be removed, then rinse under cold water with a brush or scrubbing pad. Also available in a dip tank solution for repeated treatment of multiple utensils. CARBON-OFF!® works quickly and easily saving time and labor. Do not use on (or place appliance to be cleaned on) painted surfaces, plastics, acrylics, corian sinks and counter tops, anolon surfaces, calphalon or teflon non-stick pans. SAFE ON ALUMINUM.

REMOVES BAKED ON CARBON FROM:

- Metal Surfaces • Brass • Stainless Steel • Broilers
- Waffle Bakers • Chinese Woks • Popcorn Kettles
- Nickel Steel • Deep Fryers • Stove Parts

Rotisseries • Barbecue Grills • Roasting & Sheet Pans • Pots & Pans

HMIS Ratings, Aerosol: H-2, F-3, R-0, P-B.

HMIS Ratings, Liquid: H-2, F-1, R-0, P-B.

Available in: Pint, quart, and gallon cans, standard dip tanks and 20 oz. aerosol cans, 19 oz. net wt.

GREASE TRAP/DRAIN MAINTENANCE

Open Up

Alkaline Drain Opener

OPEN UP is a powerful ready to use caustic drain opener and maintainer. This product will clear clogged drains of hair, paper, grease, oil and other organic matter. Keeps drain lines open and thus reduces malodors generated by rancid material. The caustic chemicals convert grease-like matter from hard insoluble material to soapy water soluble material. May be used on vitreous china or porcelain.

- Non-acid formula will not harm pipes and drain lines
- No fumes or offensive odor
- Versatile formula for both corrective and maintenance applications
- Effective—works in minutes

HMIS Ratings: H-3, F-0, R-1, P-C.

Available in: Quarts, 5 gallon pails and 55 gallon drums.

300000001-32QT	Open Up	12 x 1 Quarts
300000001-05PL	Open Up	5 Gallons
300000001-55DR	Open Up	55 Gallons

Digest Plus

Synergized 7-Strain Bacterial w/Odor Control Live Active Bacteria

DIGEST PLUS is a concentrated blend of living aerobic and anaerobic bacteria specially selected and adapted for their ability to produce large amounts of amylase, protease, cellulase and lipase enzymes which are important in degrading common sanitary wastes. The bacteria are considered "new generation" and are impervious to bleach, disinfectants and acids. Use in drains, grease traps and septic tanks to quickly degrade wastes and reduce odors. Non-acid, non-alkaline, non-corrosive. Will not harm plumbing fixtures or garbage disposals.

NOTE: Product performs best within a pH range of 5.5–8.5 and a temperature range of 50–100°F. Extremes of pH and temperature, as well as wide shifts in either parameter over a short period of time should be avoided.

Cold reduces the effectiveness of the product and no bacteria activity can be expected below 40°F.

HMIS Ratings: H-0, F-0, R-0, P-A.

Available in: Quarts, gallons, 5 gallon pails and 55 gallon drums.

296000001-32QT	Digest Plus	12 x 1 Quarts
296000001-41GL	Digest Plus	4 x 1 Gallons

Charge

Condensate Drain Cleaner

CHARGE is a natural solvent-based product designed to clear clogged drains and condensate drain lines. The high pressure spray through the 18" tube permits quick penetration directly to the source of the problem. Begins working immediately to flush algae, slime, hair and organic matter. Non-acid, non-caustic and contains no chlorinated solvents. Lessens need for expensive service calls to

unclog drains. Harmless to plumbing and disposals. Leaves a pleasant citrus fragrance. Works great in showers, bathtubs, drain lines, grease traps and drains. Excellent for use in industrial plants, schools, hotels/motels, restaurants and janitorial services.

HMIS Ratings: H-1, F-2, R-0, P-B.

Available in: 12–20 oz. cans/case. 16 oz. net wt.

205000001-20AR Charge

Drain Demon

Thickened Enzyme Treatment

DRAIN DEMON's unique thickened formula clings to sides of pipes and drain lines, increasing contact for more effective treatment. Digests and liquefies organic waste, grease and food by-products in hospitals, nursing homes, schools, prisons, funeral homes, apartments, kennels, clinics, porta-toilets, marinas, recreational vehicles, and septic tanks. Also great for deodorizing carpet. Pleasant fragrance. Non-toxic, non-acid, non-alkaline, non-polluting, non-pathogenic, biodegradable. Contains one billion cfu per microliter of the following: bacillus subtilis, bacillus amuloliquifaciens, bacillus lichenformis, bacillus megatherium, pseudomonas fluorescens, commomonas terrigena, and bacillus firmus. Note: This product performs best within a pH range of 5.5–8.5. Optimal temperature range for maximum effectiveness is 54°–113°F; effective up to 212°F. Extremes of pH and temperature, as well as wide shifts in either parameter over a short period of time should be avoided. Cold temperatures reduce the effectiveness of the product and no bacteria activity can be expected below 40°F.

HMIS Ratings: H-0, F-0, R-0, P-A.

Available in: 12 x 1 quarts

290000001-32QT Drain Demon

FOOD GRADE LUBRICANTS

Purity

Food Grade Lubricant & Protectant

PURITY is a lubricant made up of USP liquid petrolatum and propellant, providing a sanitary means of lubricating dairy and food processing equipment. Complies with FDA regulations, CFR Title 21, paragraphs 172.878 and 173.3620. NSF rated H1. An excellent product for use on slides, bearings, pistons and rings, seals and pump parts, pans, containers, belts, etc. Great for use in fast service food preparation, cut meat cold room packaging in supermarkets, packaged meat units for franchise outlets, ice cream filling equipment, milk bottle equipment. Non-toxic, odorless, tasteless, contains no silicone.

HMIS Ratings: Aerosol: H-1, F-3, R-0, P-A.

Liquid: H-0, F-1, R-0, P-A.

Slide Out Dry Silicone Spray—Food Grade

SLIDE OUT is designed to lubricate equipment used in the packaging and processing industry. SLIDE OUT leaves a non-staining, dry, pure silicone film to lubricate moving parts, reducing friction and wear. SLIDE OUT is heat stable from -35°F to 350°F. Also formulated as a release agent on seals and gaskets of tank closures. Lubricates all sliding surfaces except those you wish to paint. Excellent on RV slide outs. Use on sticking metal, wood, rubber and plastic. Apply to cutting tables, conveyors, heat sealing equipment and slicing equipment. Waterproofs leather, canvas, rubber and chrome surfaces. Safe on all plastics. Contains no methylene chloride. Won't melt, freeze, gum or become rancid. Concentrated—a little goes a long way.

HMIS Ratings: *H-1, F-3, R-0, P-B.*
Available in: 12-20 oz. cans, 11.5 oz. net wt.

538000001-20AR Slide Out

SPECIALTY CLEANERS

Python Evaporator Coil Cleaner and Disinfectant

PYTHON is a ready-to-use, non-abrasive, one-step disinfectant cleaner for evaporator coils in small air conditioners, commercial air handling equipment, HVAC cooling coils and refrigeration equipment evaporation coils. Virucidal, Tuberculocidal, Mildewstatic (on hard inanimate surfaces), Fungicidal (against pathogenic fungi). Kills 99.9% of bacteria. Effective via AOAC methodology against a wide variety of organisms. EPA registered for HVAC applications. Controls mold and mildew. Cleans and deodorizes. Cuts grease and grime without scrubbing. No rinsing required.

FOR USE IN:

Hotels/Motels • Restaurants • Cold Storage
Refrigerated Equipment

Wonder

Acoustical Ceiling Tile Restorer (White)

WONDER is a unique clay-based restoring system for acoustic ceiling tiles. Permanently bonds to surface without compromising acoustical sound absorption or fire retardant value. Covers water stains, smoke and fire damage, graffiti, paint, ball point ink, permanent marker and rusting nail heads, avoiding the need for costly replacement. Leaves a clean, white coating that adds years to tile life. Also works as a non-bleeding primer/sealer for sign painters, a non-grain-raising primer for new wood, a base coat for wallpaper or vinyl wall coverings and as a base coat for galvanized metal. Economical—one can covers 12 to 15 (2'x4') tiles or 120 square feet. Areas of use include sign shops, fire and water damage restoration services, make-ready companies, office maintenance personnel, metal workers and woodworkers.

HMIS Ratings: H-2, F-3, R-0, P-B.

Available in: 12–16 oz. cans, 12 oz. net wt.

591000001-16AR Wonder

Liquefire

Anti-Icing Agent

LIQUEFIRE is a liquid formula pre-treatment applied to ground surfaces pre-storm to prevent bonding of snow and ice to the treated surface. Post-storm cleanup is easier and faster. LIQUEFIRE also melts thin layers of ice and snow left behind by snow blowers and plows. LIQUEFIRE is a blend of calcium chloride, magnesium chloride, sodium chloride, and urea with additional corrosion inhibitors. Anti-spalling agents help protect concrete and asphalt. Corrosion inhibitors help protect equipment. Urea is a natural fertilizer for grass. Using our unique ready-to-use pump up sprayer or industrial-grade applicator, apply LIQUEFIRE with a downward nozzle to wet surface to be treated. Up to 48 hours before a storm, apply to concrete or brick steps, sidewalks, handicap ramps, driveways, parking lots and hard to reach areas.

COMPARED TO OTHER GRANULAR ICE-MELTS AND LIQUID PRE-TREATMENTS, LIQUEFIRE:

- Leaves no unsightly residue like granular ice melts
- Will not stain or discolor concrete
- Non-corrosive formula ships non-hazardous
- Odorless, colorless and safe around pets
- Stays where sprayed—doesn't end up in grass or vegetation, eventually killing it
- Stays where sprayed—won't track into facility causing damage to flooring and floor equipment
- Easy to apply—reduces labor costs
- Shoveling doesn't displace LIQUEFIRE. Shoveling displaces granular ice-melts requiring re-application.
- Residual effect up to 48 hours means less frequent applications, reducing overall environmental impact.
- Effective working temperature of -25°F means LIQUEFIRE keeps melting when others fail.

HMIS Ratings: H-1, F-0, R-0, P-B.

Available in: Gallons, 5 gallon pails and 55 gallon drums.

601000001-41GL Liquefire	4 x 1 Gallons
601000001-05PL Liquefire	5 Gallons

Nu-View™

Concession and Food Equipment Cleaner

NU-VIEW™ removes cooking oils, grease, sugar, starch and protein residues. Unique formula eliminates oxidation odors and cleans all types of food equipment, including popcorn poppers, hot dog boilers, nacho chip warmers, slicing machines, soft servers and stoves. Powerful degreasers cling to vertical surfaces, making clean-up fast and efficient. Safe on plexiglas, formica, aluminum, stainless steel, painted metals & plastics. Great in convenience stores, carnivals, stadiums and arenas. NSF rated A1.

HMIS Ratings: H-1, F-1, R-1, P-B.

Available in: 6–20 oz. aerosol cans, 18 oz. net wt.

203100001-20AR Nu-View

INSECTICIDES

Eradicator

Multi-Purpose Insect Spray

ERADICATOR is an EPA registered, water-based aerosol, true multi-purpose insect killer. Contains the synthetic pyrethroid permethrin for quick knockdown and up to four weeks residual control of crawling and flying insects. Odorless, non-staining formula controls bedbugs and many other crawling insects. Controls houseflies, mosquitoes and many other flying insects. For use in homes, hotels/motels, airports and more.

KILLS AND CONTROLS:

Bedbugs • Cockroaches • Mosquitoes • Crickets • Spiders
Scorpions • Fleas • Ticks • Houseflies • Gnats • Fruit Flies • Black Flies
Carpet Beetles • Clothes Moths • Palmetto Bugs • Silverfish
Centipedes • Garden Insects • Many Other Listed Insects

HMIS Ratings: H-1, F-1, R-0, P-A.

Available in: 6–20 oz. cans, 16 oz. net wt.

454000001-20AR Eradicator

Smoke 'Em Dry Fog Flying Insect Killer

SMOKE 'EM is an EPA registered, water-based insecticide created with the latest scientific technology to be among the most powerful insecticides on the market. SMOKE 'EM kills flying insects on contact. May be used in food processing areas. Controls flies, mosquitoes, gnats, midges, wasps, hornets, and flying moths (millers) in and around schools, hospitals, institutions, food plants, hotels, motels, dairies, restaurants, drugstores, apartments, supermarkets, theaters, homes, trucks, and office buildings. Contains powerful natural pyrethrin. Fogging action covers large areas quickly.

HMIS Ratings: H-1, F-2, R-0, P-B.

Available in: 12–20 oz. cans, 14 oz. net wt.

Adios Drain Fly Repellent

ADIOS drain fly repellent is a thick gel that clings to pipes and drains to rid them of drain fly infestations. Repels annoying and unsanitary drain flies with Citronella, a natural fly repellent. ADIOS is biodegradable, non-toxic and non-caustic, made only with ingredients which qualify for the 25(b) exemption in EPA pesticide regulations. This product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) and is in accord with USDA 21 CFR 178.3400 and/or found on GRAS list. Use in grease traps, garbage disposals, dumpsters, sewer lines, drain lines, down pipes, and septic tanks. Great for nursing homes, schools, prisons, funeral homes, apartments, kennels, clinics, porta-toilets and marinas.

HMIS Ratings: H-1, F-0, R-0, P-A.

Available in: Quarts, gallons, 5 or 6 gallon pails and 55 gallon drums.

467000001-55DR Adios	55 Gallons

Lights Out Bed Bug Killer

LIGHTS OUT is a water-based pesticide developed especially to control bed bugs. When applied as directed on the labeling, Lights Out will kill bed bugs on contact. 100% mortality occurs within 5-10 minutes of application, depending on life stage. Lights Out is also effective on other insects, cockroaches, ants, millipedes, carpet beetles, and fleas. Any of the listed insects coming into contact with a surface treated with Lights Out will be killed for up to 30 days after application.

Lights Out Bed Bug Killer is made only with ingredients which qualify for the 25(b) exemption in the EPA Pesticide Regulations. The US EPA has identified a group of naturally derived chemicals as having pesticidal qualities which exhibit very low if any toxicity. These chemicals are identified in a special section of the EPA pesticide regulations known as section 25(b). In addition, the US EPA has

identified a list of inert ingredients, again those which are generally considered to have very low to no toxicity, which can be used to formulate a pesticide with the 25(b) active ingredients. These products are not required to be registered as a pesticide by the EPA.

HMIS Ratings: H-1, F-0, R-0, P-A.

Available in: 3 oz. bottles, quarts, pistol grip quarts and gallons.

465000001-03OZ Lights Out 24 x 3 oz. Bottles

465100001-32QT Lights Out 6 x 1 Quarts

465000001-41GL Lights Out 4 x 1 Gallons

On Time Metered Insecticide

ON TIME can be used only in commercial food service and preparation areas of milk houses, hospitals, hotels, motels, factories, stores, ships, clubs, restaurants and schools. This blend of natural pyrethrin, piperonyl butoxide and MGK® 264 is classified F-1 by the USDA and is effective on flies, mosquitoes, gnats and small flying moths. One can will treat up to 6,000 cubic feet of air space for 30 days, 24 hours a day. Fits most universal dispensers. USDA authorized as a pesticide for use in all areas of federally inspected meat and poultry plants.

HMIS Ratings: H-2, F-2, R-0, P-A.

Available in: 12–12 oz. cans/case, 6.5 oz. net wt.

432000001-12AR On Time

METERED AIR FRESHENERS

The FIESTA line of metered air fresheners chemically works to neutralize unpleasant odors. Products can be used in conjunction with many automatic actuating aerosol dispensers that deliver fresh fragrance every 15 minutes. One can will keep an area constantly deodorized for up to 30 days. All of the active ingredients are released, making this the most effective technology for odor counteracting on the market today. The fine, dry mist is non-staining. The fragrance stays suspended in the air long after the offensive odor has been destroyed,

creating a pleasant atmosphere. Neutralizes odors caused by smoke, food, animals and stale air. VOC compliant in all states.

HMIS Ratings: H-1, F-3, R-0, P-A.

Available in: 12-12 oz. cans/case, 7.25 oz. net wt.

GENERAL CLEANING

Pink Dishwash

Concentrated Dish Washing Detergent

PINK DISHWASH is specially formulated for sparkling clean dishes and spot free glasses. This product is lotionized with delicate skin conditioners to prevent skin dryness and cracking. This product can also be used on fine fabrics such as lingerie, nylons and woolens. An excellent product for use in restaurants, hotels/motels, hospitals, institutions, schools and homes. Works great on dishes, cooking utensils, pots, pans, sinks, counter tops, stove tops and food preparation areas.

- Superior results. Quickly removes food soils from cooking surfaces, dishes and utensils. Excellent for soak cleaning
- No harsh alkali to irritate skin. Provides a controlled pH
- Performs well in hard water. Does not leave scum or a film on utensils when rinsed well

HMIS Ratings: H-0, F-0, R-0, P-A.

Available in: Gallons and 55 gallon drums.

All Kleen™

Heavy Duty Hood Cleaner & Degreaser

ALL KLEEN™ is a heavy duty, concentrated cleaner and degreaser, useful for a wide variety of industrial, commercial, and institutional cleaning jobs. Use to clean vent hoods, fans, blowers, appliances, burners, etc. Cleans filters, fan blades, condenser coils, and compress-

sors of air-conditioning equipment. Use various dilutions to remove lipstick, crayon, blood stains and black heel marks. Also cleans rings, combs, and eyeglasses. Removes stains from carpets. Wonderful on white sidewall tires and vinyl upholstery in cars, and as a pre-spotter for heavily soiled laundry. Rinse after cleaning.

HMIS Ratings: H-1, F-0, R-1, P-B.
Available in: 4 x 1 gallons.

601040001-41GL All Kleen

Grip Lime Scale Remover

GRIP is a phosphoric acid-based cleaner, specifically formulated for use in dishwashing machines and steam tables. Descales, delimes and removes rust, stains, hard water deposits and metallic soap scums. Safe on chrome. Excellent brass, bronze and copper cleaner. Thick, clinging action assists in easy removal of undesirable stains and deposits, eliminating the need for abrasive cleaners. Deodorizes. Pleasant cherry fragrance. Areas of use include restaurants, hotels/motels, schools, hospitals, offices, clubhouses and apartment complexes.

USE ON:

Tile • Toilet Bowls • Porcelain • Counter Tops • Drinking Fountains
Fiberglass • Sinks • Swimming Pools • Shower Stalls
Formica • Cooking Kettles

HMIS Ratings: H-2, F-0, R-1, P-B.
Available in: 12 x 1 quarts.
