I just wanted to share a quick note with you and let you know that you guys do a really good job with the Amricide product. Everyone on our team loves the simplicity of use of the fogger for deep cleaning/ disinfecting our ambulances on a weekly basis or after a bad call. It's really great how easy your product is to use and to train our employees on. Our decon time is greatly reduced by using your product. The spray is great for quick clean ups and for cleaning up the bigger messes.

We would definitely recommend this product to our brother and sister EMS agencies.

Sincerely,

Assistant Director William Bringas
